FAIRY WATER FLOCK FOREWARD

Established in 2016, the Fairy Water Suffolk Flock has been a source of great pride and enjoyment. Our focus has always been on breeding quality Suffolk sheep with strong breed character, functionality and commercial appeal.

Due to increasing family commitments, we have made the difficult decision to disperse the flock. While this marks the end of a very enjoyable chapter, we take great satisfaction in what has been achieved over the years.

We would like to sincerely thank all our customers, fellow breeders, friends and family for their support, encouragement and friendship. We wish all purchasers every success with their new acquisitions and trust the Fairy Water bloodlines will continue to thrive in their new homes.

The Fairy Water Flock,
Established 2016
