DISPUTES

1. All disputes of differences of any kind which arise at or in relation to the auction either between the vendor and the purchaser or amongst bidders themselves shall be referred to the auctioneer and his decision shall be final and binding on all parties.
2. Any other dispute shall be referred to an arbitrator who shall be appointed, failing agreement between the parties, by the Society and the decision of the arbitrator shall be final and binding on all parties to the dispute. Any arbitration under this clause shall be subject to the Arbitration Acts for the time being in force.

CONDITIONS OF SHOW OR SALE

1. Each item must be bona fide the property of the exhibitor.
2. The highest bidder to the buyer, and if any dispute arises between the bidders, the decision of the Auctioneer shall be final, or at his discretion the lot in dispute shall immediately be put up again and re-sold. The Auctioneer reserves the right of refusing the bid of any person and regulates the bidding, and no bidding is to be retracted.
3. The purchasers to give their names and places of abode in writing and pay the full purchase money for each lot at the fall of the hammer if required; in default of which the lot or lots so purchased may immediately be put up again and re-sold.
4. No lot or lots shall be removed from the premises before the sale, or till paid for, but each and every lot shall, immediately at the fall of the hammer, be considered as delivered, and be and remain in every respect at the absolute risk of the respective purchasers thereof, and shall be removed from the place of sale at the purchaser's expense.
5. If any purchaser shall fail to comply with the above conditions, or any part of them, the Auctioneers shall be at liberty either to recover in full the amount of the lot or lots bought by such purchaser, without reference to any delivery or acceptance of the lot or lots other than first delivery by the fall of the hammer, or to re-sell any lot or lots bought by the purchasers, either by public or private sale; and the full amount of the purchase money at the present sale, or the deficiency if any arising from such second sale, shall be made good by the defaulter at the present sale, and be recoverable as and for liquidated damages.
6. No money will be paid to the proprietor for any lot sold, unless the account be cleared by the purchaser, and the Auctioneers will not be answerable for any deficiency that may arise on the re-sale of any un-cleared property.
7. Animals are present on the sole responsibility of owners, whose duty it is to keep each exhibit under proper control at all times, whether in pen or in show or sale rings, or in transit within the centre. Neither the Auctioneers, the organisers nor the Sponsors, nor any of their officials or employees will be liable for damage or injury caused by any animal's behaviour, including overnight.
8. Purchasers are to understand that, although every reasonable precaution will be taken to ensure the safety and welfare of the animals exhibited, the Auctioneers will not be reasonable for loss, or accidents of any kind, that may occur. Nor will the Auctioneers or vendors be accountable for any accident that may occur to any person attending the sale, whether as a visitor, or in any other capacity.
9. The pedigree, history and description of each animal is guaranteed by the owner, and no liability whatsoever is undertaken by the Auctioneers for the statements in the catalogue or announcements made at time of sale. The vendor who supplies such statements is alone responsible.
10. No undertaking of the Auctioneers or vendors or their servants to take charge of the lots or animals for sale, or to forward them to their destination, shall be held to impose any legal obligation or vitiate any of the foregoing conditions.
11. Any Medical Treatment to any animals must be advised by the Auctioneer for announcement at time of sale. The presence of any chemical or pharmaceutical substance in or on an animal or in its milk during the withdrawal period may render its sale void.
12. Should any question arise not provided for in the foregoing conditions, the decision of the Auctioneers shall be final, from which there shall be no appeal.
13. Neither the Auctioneers nor the sponsors incur liability of the return of Auction Fees where a claim is made for return of purchase price of any lot sold at the sale.
14. The sale will be conducted in Guineas. Purchasers will pay VAT on Fees.

15. After Sale release of livestock or goods is by Pass Out issued by the Sale Office. This also includes unsold lots.
16. Each and every lot must be presented for sale in the auction ring in catalogue or numerical order. No Sale may be contemplated before such presentation. Lots not sold in the auction or present for demonstration purposes and subsequently sold privately on the premises must be recorded through the auctioneer's office and are subject to commission.
17. No electrical device may be connected to any socket in the show or sale premises unless it is fitted with an approved circuit breaking control. All equipment must be in up to date state of safety. Note: Sockets on sale rostrum are not suitable for blow driers.
18. Neither the Auctioneers, the Organisers, nor the Sponsors shall incur any liability for loss or inconvenience arising from postponement or cancellation of the event.

NOTE: No animal is considered to be delivered to the Show and Sale until placed in the pen or place of tying allotted. Access doors will permit vehicles and trailers to enter the building for loading or unloading. Delivery to purchaser will also be effected when the purchaser removes the animal from the pen, or otherwise takes charge of the animal. Under no circumstances may any animal be taken out of the building for loading. The trailer or lorry must be backed inside the doorway and the screen doors closed the vehicle.

Please remember to collect your Movement Permit before leaving. And please remember that a new purchase should be introduced to company when taken home – and not placed in solitary confinement on arrival in strange surroundings after transport!

N.B: All stock must be paid for on day of sale. Cheque facilities are only for approved customers:- otherwise payment must be made by debit card, credit card or cash.

17 RAM FERTILITY GUARANTEE

17.1 All rams and ram lambs sold at a Society sale are warranted by the seller to be capable of natural and effective service by four calendar months from date of sale ("the Male Guarantee Period") provided always that:

17.1.1 any animal which is not so capable and where the incapacity is caused or contributed to by injury or illness howsoever caused, suffered or contracted after the sale is not covered by the warranty; and

17.1.2 any animal which has not been conclusively determined as incapable of natural and effective service in accordance with the procedure set out hereinafter and which dies of natural causes during the Male Guarantee Period is not covered by the warranty.

17.1.3 there has been no exchange of money, or payment in kind or any type, between the seller and buyer other than those set out in Bye-Laws 16.20 and 16.21.

17.2 An animal shall be deemed incapable of natural and effective service if:

17.2.1 It fails to make at least one ewe pregnant during the Male Guarantee Period under natural breeding conditions; and

17.2.2 It is certified as being so incapable by a veterinary surgeon in accordance with clauses 17.4 and 17.5 below. "Natural breeding conditions" means when a ram is run with ewes in normal breeding condition, cycling without artificial interference. Ewes which have been sponged and/or treated with hormones to induce or synchronise ovulation are deemed not to be in normal breeding condition.

17.3 The buyer shall throughout the Male Guarantee Period give the animal full and sufficient opportunity to prove that he is capable of natural and effective service and maintain him in a fit condition.

17.4 If the buyer highlights that the ram or ram lamb has failed to prove capable of natural and effective service by 2 calendar months from sale date of the year of sale, the buyer shall then:

17.4.1 Notify the seller and the Society in writing that the animal is to be tested; and

17.4.2 Have the animal subjected to a semen test by the artificial vagina method by a veterinary surgeon attached to a breeding company authorised by the Society; and

17.4.3 Obtain from the veterinary surgeon a duly completed Soundness for Breeding report; and

17.4.4 If the veterinary surgeon certifies that the animal is incapable of natural and effective service, lodge a copy of the Report with the seller and the Society.

17.5 The seller shall be entitled to:

17.5.1 Have a second test carried out by the same or a different veterinary surgeon attached to a breeding company authorised by the Society who shall issue a Soundness for Breeding report after notification by the purchaser and such Report shall conclusively determine whether or not the animal is capable of natural and effective service. The seller shall deliver to the buyer and the Society a copy of this second Report: or

17.5.2 Arrange to take possession of the ram or ram lamb for up to two calendar months from the date of the duly completed Soundness for Breeding Report provided by the Buyer to determine whether or not the animal is capable of natural and effective service. If the ram or ram lamb makes at least one ewe pregnant during the Male Guarantee Period the buyer will lodge a copy of any scanning report with the seller and the Society. If the buyer disputes this report the matter will be referred to the Disputes and Disciplinary Committee. The Society reserves the right to extend these periods to facilitate scanning of ewes to determine pregnancy and/or taking samples to carry out parentage tests. Any fees or charges in relation to parentage tests will be paid by the buyer.

17.6 The decision of the Disputes and Disciplinary Committee shall be final and binding on all parties to the dispute and Council has the power to ensure that the Committee's decision is implemented.

17.7 The buyer shall at the expense of the seller do all acts, deeds and things necessary to enable the second test to be carried out. If the animal shall be deemed fertile the buyer shall on demand repay the seller the veterinary surgeon fees of the second test and Report.

17.8 If the ram is deemed incapable of natural and effective service during 4 calendar months from date of purchase, the buyer may by 30th November of the year of the Sale return the animal to the seller and thereupon the seller shall repay to the buyer the whole of the purchase price and the cost of transport of the animal from the buyer's premises to the seller's premises and the veterinary surgeon testing fees incurred by the buyer.

17.9 The seller shall not be liable for any indirect or consequential loss howsoever sustained by a buyer.

17.10 As to clauses 17.4 and 17.5 and 17.8 time is of the essence.

17.11 The seller and the buyer may vary the provisions of clauses 17.4, 17.5, 17.8, 17.9 and/or 17.10 if but only if and insofar as the variation is set out in writing and signed by each of the parties and a copy sent to the Society.

17.12 The terms of any statutory enactment or custom or trade which are inconsistent with the provisions of this Bye-Law 17 are hereby excluded.

17.13 Failure to comply with any of Bye Law 17 will allow the Society, at its discretion, to cancel Society membership.

17.14 Society Bye-Laws do not exempt a breeder from the Sale and Supply of Goods Act.
