CONDITIONS OF SALE

Without prejudice to the foregoing rules it is hereby expressly declared that the seller by selling and the buyer by purchasing shall be bound by the rules notwithstanding the terms of any statutory enactment or custom or trade to the contrary.

The auctioneer is judge of the sale to whom all disputes or differences of any kind which may arise at or in relation to the auction either between the seller and the buyer or amongst the bidders themselves shall be referred and his decision shall be final and binding on all parties.

Any dispute as to any matter of the settlement of which no provision was made in these rules shall be referred to an arbitrator to be appointed failing agreement between or amongst the parties by the auctioneers and the decision of the arbitrator so appointed shall be final and binding on all parties to the dispute. Any arbitrator under this clause shall be subject to the Arbitration Act for the time being in force.

The highest bidder to be the purchaser, subject to rule 7, and if any dispute shall arise between two or more bidders, the lot in dispute to be put up again and re-sold or the auctioneers may declare the purchaser.

Purchasers to give their names and places of abode and pay the whole of the purchase money, immediately upon the fall of the hammer (if required).

In default of this the lots so purchased immediately be put up again and resold

All lots to be cleared away at the buyer's expense at the close of sale, to be risk of the purchaser from the time the lot is sold: and to be taken with all faults and errors of description.

Purchasers at this sale, not complying with the above conditions, will be subject, without further notice, to have their lots re-sold, either by public auction or by private contract: the deposit money will be forfeited, and any deficiency, with all expenses attending such re-sale, to be made good by the defaulters on demand.

No animal to be removed from the mart without a pass out: purchasers must have paid for their animal in full before attempting to remove the animal from the mart premises.

All animals to be sold in Euros plus 5% commission.

Minimum Starting price: - €300.

The Branch reserves the right to refuse cheques as payment.

Any sheep having artificially blackened heads or coloured fleeces will be disqualified.

Any sheep found to have a positive blood test for prohibitive substances will be disqualified and dealt with by the disciplinary committee.

All sheep will be sold in order in which they appear in Catalogue.

A red dot must be clearly marked on the shoulder of all substitute sheep.

All lots are "on the market" from the 1st bid. When the auctioneer's hammer falls, the vendor may refuse or accept the final bid. A vendor must say "yes" or "no" to the final bid before he/she leaves the ring or he/she does not respond on the fall of the hammer this will be regarded as a "Yes" and that animal will be taken as sold. No change from this will be entertained.
