# FOREWORD

It was a very hard decision and one not taken lightly to disperse the Donrho flock established in 2002.

The Donrho flock has certainly made an impact over the years winning various shows and competitions including the National & NI Flock Competitions, our local NAELSC Show and the Scottish Area Branch Show, Stirling & Lanark.

There are no notes to individual sheep other than our show winners. They all have potential to be future show and sale winners for prospective purchasers and will certainly provide a legacy for future breeders.

This breeding programme is offering a chance to secure genetics from this long established flock for breeders both new and established.

The flock has enjoyed an excellent health record throughout its history. I feel the quality of the flock is as good as it has ever been and confident the sheep will do well with their new owners. The arrival of Limestone Paddywhack enhanced the flock and produced some outstanding females and males. We have enjoyed our time with the Suffolk sheep and have made many friends along the journey.

Myself and Rhonda wish every purchaser past and present the best of luck and hope you gain as much pleasure and satisfaction from the flock as we have over the years.

However, the lot or lots shall not be removed from the premises before the sale, or till paid for, and will be removed from the premises at the purchasers expense.
5. If any purchaser shall fail to comply with the above conditions, or any part of them, the Auctioneers shall be at liberty either to recover in full the amount of the lot or lots bought by such purchaser, without reference to any delivery or acceptance of the lot or lots other than first delivery by the fall of the hammer, or to re-sell any lot or lots bought by the purchasers, either by public or private sale; and the full amount of the purchase money at the present sale, or the deficiency (if any) arising from such second sale, shall be made good by the defaulter at the present sale, and be recoverable as and for liquidated damages.

13. Neither the Auctioneers nor the sponsors incur liability of the return of Auction Fees where a claim is made for return of purchase price of any lot sold at the sale.
