Sale to include Dispersal of the Maverick Flock

Foreword

Maverick Suffolks was established in 1994 with the purchase of females from the Hallhill & Sycamore flocks. Over the years we have used rams from many of the top flocks including Crosemanor, Muiresk, Roseden, Burnview, Jubilee and Sitlow.

In recent years, we have seen success in the show ring, as well as a marked improvements in our stock brought forward for sale, mainly thanks to our use of Artificial Insemination. Along with some additional female purchases, this has allowed us access to what we feel are some of the best bloodlines available in the Suffolk breed today from proven stock. Some of these females, daughters & granddaughters are included in our sale today.

It is with a heavy heart that we will be dispersing the Maverick Flock but feel the flock is in a great position and hope they will go on and give their new owners as much pleasure as they have given us over the last 27 years.

We would like to wish all buyers the very best of luck with their purchases and we appreciate your support today and over the years.

Best Wishes Ian, Richard and family

A selection of Flock Books will be available for sale. Details nearer Sale Day.
