BURNVIEW FLOCK

Burnview has again enjoyed considerable success at both local and national levels demonstrating the consistency of the flock. The Pen of Three was won at NI Championships, Omagh Show, Ballymena Sale, 2nd at Lanark Sale and 3rd at National Sale. Our top ram lamb at Ballymena Sale sold for one of the top prices of 9000gns to Rowandale and Sproulestown, this lamb was 2nd at RUAS Show and NI Championships. Another 9000gns sale, this time at Lanark, went to Windfield and he won Reserve Supreme Champion at Omagh Show.

We have a good selection of service sires including €34,000gns Mullinvale Magnum, 13,000gns Strathbogie Joel outcross genetics from Forkins Ferrari II, Birness Murray, Jaylex Geovani and the much admired Mullinvale Assassin, 2nd prize single at Southern Ireland Sale.

After almost 40 years of breeding we are in the fortunate position to be offering for sale 90% of our gimmers to enable us to keep numbers manageable. We are delighted as to how well past Burnview females have performed in their new flocks peaking at 13,000gns sales with daughters also producing 13,000gns sales on two occasions.

We are excited to be teaming up with Jalex for this annual female production sale and thank James and Ruth for all their hard work in hosting the event. Thanks also to all our fellow consignees and wish everyone every success at this sale.

The flock have been vaccinated with Enzo and Toxo and are on the Heptovac-P programme.

ALL BURNVIEW ENTRIES ARE GUARANTEED CORRECT OF MOUTHS

ALL HOMEBRED FEMALES IN THE BURNVIEW CONSIGNMENT ARE GUARANTEED ARR/ARR

DNA SAMPLES FOR SERVICE SIRES ARE PENDING ON SHEEP IRELAND DATABASE

We would also like to thank all our customers for your continued support and wish you well and every success with your purchases.

Jalex Livestock established their pedigree Suffolk flock in 2018.

Our aim from the start was to breed the type of Suffolk tup that we had been sourcing to use on our commercial flock of Cheviot Mules, with the emphasis being on ewe lamb/gimmer production.

Skins, hair, carcass and lift are what we are pushing for, commercial traits leading the way.

We sourced a few brood females with the stamp we were wanting to get started from Forkins, Stockton, Spotsmains, Rugley, the ewe with the biggest influence was Strathbogie 02699 whom we saw at the Highland Show, as a ewe lamb.

We have 2 daughters for sale from her in this sale. Her 1st offspring sold was in 2020, when we sold Jalex Jagerbomb as a shearling to the Brijon flock for £6100. The Brijon Flock received £9000 for a son of Jagerbomb in Kelso this year.

We also purchased a sizeable number of ewes from the Landale flock. We went to view the Landale ewes after Landale The Gambler from Hazel Martindale in Carlisle. Her flock of ewes were just the type of ewes we wanted to build on and they have really done a job for us.

We work closely with the Bessibelle flock, sharing some stock tups and a few ewes.

We made our first trip to Lanark tup sales this year, topping at £6,800 selling to The Roseden Flock with our pen averaging £4,000.

Our third annual on farm "Jalex Genes" sale in August, topped at £4,000 averaging £1,650 for our Suffolk entries of 64 tups.

Again in 2022 we made our first visit to the Kelso tup sales. Here we topped at £3,800, averaging £1,766 for our pen of 12.

DONBRAID FLOCK

Donbraid restarted in 2017 with the purchase of an outstanding ewe lamb from the Burnview flock '1056' for £4600. She has become the GDam of this year's top lamb at Ballymena where he won 3rd prize in the open class and later went on to sell for £5000.

Our flock has always aimed for correctness, good tops and backends with great black slikey hair.

The whole flock are genotypes ARR/ARR and are also on the Heptavac-P programme. Lastly I would like to thank Burnview for the invitation to sell at the Bonanza female sale.

And I would also like to thank all our customers new and continued for their support! I wish them well with their new purchases.

BESSIEBELL FLOCK

JACK SMYTH & EMMA MCELHIL

Established in 2018 with a strong mindset to breed sheep suited to the commercial market, body, skin and clean colours are our main focus with moderate bone.

Our trade for ram lambs has stayed very consistent over the four years we have been selling, and we are very proud to say we are getting repeat customers, as the rams are doing their job.

The stock rams have always been selected for the traits we thrive for and the most recent stock rams at Smyths are shared owned with James Alexander. We would like to express our thanks to James for the use of rams in the beginning.

The flock has now sold double figure rams going into pedigree flocks. From starting out, this is something we never intended as we were focused on the commercial market, however we are delighted to see that our vision is being shared with fellow breeders looking for the same qualities in their sheep.

A highlight over the few years has to be selling Bessiebell Evil Knievel to the Roxburgh Mains flock for 9500gns this year at Ballymena premier Sale.

We would like to take this opportunity to thank both William and Stephanie Tait and the Alexander family for the invite to the Bonanza Sale and wish all customers and fellow breeders the best of luck with their new purchases.

CRAIGDOO FLOCK

The Craigdoo flock was established in 2011 with the purchase of out foundation ewes from Baileys, Forkins, and Ballynacannon with further ewes being purchased from Crewelands and Burnview.

The flock was expanded through the use of Embryo Transfer and the best rams we felt could improve our ewes including Rhaeadr Ring A Ding, Birness Bravado, Ballynacannon Taylor Made, Strathbogie Dazzler , Bessiebell New approach, Castleisle Casanova who the gimmers are mainly sired by. We are delighted to be in this sale again after successfully selling to a top of £3200.

All sheep are vaccinated with Heptavac P, Enzo and Toxo vaccinated.

All sheep have been served by Limestone Dark Knight (Pending) the 10,000gn Champion lamb at Ballymena Premier sale who was purchased jointly with the Islandmayle flock.

LEITRIM FLOCK

The Leitrim flock was established in 1993 with the purchased of 11 ewe lambs from the Boothferry flock. Over the last 29 years we have aimed to breed sheep which are correct on their legs, with excellent conformation and good colours.

A special thanks to the Burnview and Jelex flock for the invitation to this year's sale.

Our flock is Scrapied Monitored and all sheep offered for sale have been Toxo and Enzo vaccinated, and Fluke dosed with Bimectin plus. They are also on the Heptavac P System.

We would like to wish potential customers and fellow breeders a successful lambing in 2023.
