CONDITIONS OF SHOW OR SALE

- 1.** Each item must be bona fide the property of the exhibitor.
- 2.** The highest bidder of a lot shall be the purchaser, and if a dispute arises between the bidders, the decision of the Auctioneer shall be final, or at his discretion the lot in dispute shall immediately be put up again and re-sold. The Auctioneer reserves the right of refusing the bid of any person and regulates the bidding, and no bidding is to be retracted.
- 3.** The purchaser at the fall of the hammer will be required to give their names and places of abode in writing and pay the full purchase money for each lot at the fall of the hammer (if required); in default of which the lot or lots so purchased may immediately be put up again and re-sold.
- 4.** At the fall of the hammer, the lot or lots shall be considered delivered to the purchaser, and are in respect the responsibility of the purchaser. However, the lot or lots shall not be removed from the premises before the sale, or till paid for, and will be removed from the premises at the purchasers expense.
- 5.** If any purchaser shall fail to comply with the above conditions, or any part of them, the Auctioneers shall be at liberty either to recover in full the amount of the lot or lots bought by such purchaser, without reference to any delivery or acceptance of the lot or lots other than first delivery by the fall of the hammer, or to re-sell any lot or lots bought by the purchasers, either by public or private sale; and the full amount of the purchase money at the present sale, or the deficiency (if any) arising from such second sale, shall be made good by the defaulter at the present sale, and be recoverable as and for liquidated damages.
- 6.** The vendor will only receive payment for any lot or lots when all accounts are cleared by the purchaser, and the auctioneer is not responsible for any deficit that may arise from the re-sale of any uncleared lot or lots.
- 7.** The owners are responsible for their lot or lots, and it is their duty to keep proper control of their lot or lots in the pen, show ring, sales ring and whilst in transit in the yard. The Auctioneers, organisers, sponsors, officials or employees will not be liable for any injury or damage caused by any animals behavior, including overnight.
- 8.** Purchasers are to understand that, although every reasonable precaution will be taken to ensure the safety and welfare of the animals exhibited, the Auctioneers will not be reasonable for loss, or accidents of any kind, that may occur. Nor will the Auctioneers or vendors be accountable for any accident that may occur to any person attending the sale, whether as a visitor, or in any other capacity.
- 9.** The pedigree, history and description of each animal is guaranteed by the owner, and no liability whatsoever is undertaken by the Auctioneers for the statements in the catalogue or announcements made at time of sale. The vendor who supplies such statements is alone responsible.
- 10.** The Auctioneer, Vendors or their servants will not take charge of the lots or animals for sale, or to forward them to their destination, shall be held to impose any legal obligation or vitiate any of the foregoing conditions.
- 11.** Any Medical Treatment to any animals must be advised by the Auctioneer for announcement at time of sale. The presence of any chemical or pharmaceutical substance in or on an animal or in its milk during the withdrawal period may render its sale void.

12. The Auctioneers shall have the final say from any questions which arise and are not included above. From which there shall be no appeal.
13. Neither the Auctioneers nor the sponsors incur liability of the return of Auction Fees where a claim is made for return of purchase price of any lot sold at the sale.
14. The sale will be conducted in Guineas. Purchasers will pay VAT on Fees.
15. After Sale release of livestock or goods is by Pass Out issued by the Sale Office. This also includes unsold lots.
16. Each and every lot must be presented for sale in the auction ring in catalogue or numerical order. No Sale may be contemplated before such presentation. Lots not sold in the auction or present for demonstration purposes and subsequently sold privately on the premises must be recorded through the auctioneer's office and are subject to commission.
17. No electrical device may be connected to any socket in the show or sale premises unless it is fitted with an approved circuit breaking control. All equipment must be in up to date state of safety. Note: Sockets on sale rostrum are not suitable for blow driers.
18. Neither the Auctioneers, the Organisers, nor the Sponsors shall incur any liability for loss or inconvenience arising from postponement or cancellation of the event.
19. The Society accepts no responsibility for any lot sold in the sale.

NOTE:

No animal is considered to be delivered to the Show and Sale until placed in the pen or place of tying allotted. Access doors will permit vehicles and trailers to enter the building for loading or unloading. Delivery to purchaser will also be effected when the purchaser removes the animal from the pen, or otherwise takes charge of the animal. Under no circumstances may any animal be taken out of the building for loading. The trailer or lorry must be backed inside the doorway and the screen doors closed the vehicle.

Please remember to collect your Movement Permit before leaving. And please remember that a new purchase should be introduced to company when taken home – and not placed in solitary confinement on arrival in strange surroundings after transport!

N.B: The Auctioneer reserves the right to refuse cheque payment. Cash and Bankers Draft accepted or current exchange rate for bank will be used. New customers must contact the Auctioneers in advance of the sale to make arrangements for use of cheques.

General conditions of Ballymena Livestock Mart also apply.
