Bridgeview, Pyeston & Claycrop

Burnview Topgun 9,000gns sold to Sproulestown & Rowandale

Show gimmer Supreme Champion at Omagh 2023

# BURNVIEW SUFFOLKS

The Burnview Flock was established in 1984 with five females from the Ballykeel Flock. What started off as a hobby soon became a way of life for both us and **the family**. **Over** the years our family have played a vital role in the success of the flock and without their help and commitment it would not have been possible. We have been fortunate to have achieved a lot of success with the flock, winning almost all of the major awards within the breed which started with the NI Premier Sale Novice Cup winner at Balmoral in 1988 on the same day one of our daughters was born! The following year we won our first major Championship also at Balmoral. This was the beginning of major success locally, winning the NI Premier Sale Championship on numerous occasions and the NI Flock Competition a record seven times. The flock was also successful in winning the National Flock Competition on our only time of entering when we won all categories and were first time winners from Northern Ireland.

In the late 90s we decided to also compete across the water at the main Suffolk sales in Edinburgh and in 2000, on our second attempt, we were the first flock from outside mainland UK to be awarded Supreme Champion who went on to sell for 9,000gns. Five years later we were again successful in achieving Supreme Champion at Edinburgh and this time he was sold for 32,000gns and our pen of five averaged just short of £10,000 being the top average on the day.

A few of our other most memorable and notable achievements are:-

- NI Championships: Group of Three winners for an unprecedented 16th time this year
- National & Northern Area Branch Sale: Group of Three winners
- National & Northern Area Branch Sale: MLC Class on a record 6 occasions
- NI Premier Sale: Champion on 4 occasions and Reserve Champion on 5
- NI Premier Sale: Pen of Three winners a record 7 times
- 

The flock has consistently bred well over the years producing approximately 100 top quality progeny for sale each year. Males are sold at Ballymena, Lanark, the National and Omagh with a regular pen for Kelso with more recent sales to 16,000gns and many other five figure prices. Around 40 to 50 females have been sold at our annual

production sale since around 2000. To achieve this we have always sought to purchase stock rams that complemented our breeding ewes, keeping in mind the commercial attributes of the breed. We are very proud of how Burnview genetics has performed in their new flocks with many females producing many high priced progeny.

After almost 40 years of breeding Suffolks we have decided to disperse our flock and believe this is a unique opportunity for our fellow breeders to obtain some of the top genetics within the breed.

We would like to thank everyone who has helped us and especially to Ian Donald for all his help, dedication and skill over the last number of years. To all our customers and friends who have supported us over the years not only locally but those from Europe, GB and Ireland we thank you and wish you every success with your purchases.

**ALL ENTRIES ARE PART OF THE NORTHERN  
IRELAND CHAMPION FLOCK 2023**

Stephanie & William Tait

# Pre lambing prep is paramount

**THOMPSONS**

FEEDING INNOVATION

**As lambing season nears, it's a good time to review dietary protein levels, since udder development and milk supply are particularly sensitive to protein nutrition.**

If your forage is low in protein, feeding Thompsons' Super Hi-Lamb Ewe Nuts for the next 2-3 weeks will correct the protein shortfall at the critical stage of pregnancy, when there is a spurt in lamb development and the ewe requires key nutrients.

For further help and advice, contact Thompsons' Technical Team or your local sales representative.
