FOREWORD

The Sharps flock was established in 2018, originally named the Hawshill flock from 10 ewes purchased from the Stockton dispersal sale. These ewes together with ewes from a number of the top flocks in the UK have taken us to where we are today.

We have always tried to buy the best ram lambs we can find and most of these have gone on to improve the genetics of our flock.

We try to breed a modern type of Suffolk that's tall with silky hair with long limbs. These ewes have the size to make for easy lambing and should appeal to both pedigree and commercial breeders. Many of our ewes are related to prize winning or stock that have gone on to make great prices in sales. Too many to mention individually in the catalogue.

We hope there is something for everyone in the sale and look forward to welcoming you here to the open day and sale on Saturday 11th October.

Flock Health:

- MV Accredited
- Heptavac P System
- Blue Tongue Vaccinated
- Enzo Vaccinated (In Lamb Sheep)
