BESSIEBELL

We are delighted to be once again part of this years Bonanza Sale 2025. We have 18 gimmers on offer from the flocks best lines. This year has been our best to date with our own sales and we are really pleased to see stock that we have sold previously topping sales in the UK and Ireland with their progeny.

When we first started out breeding Suffolks we very much went in with the commerical attributes as our main focus. We are delighted that fellow breeders liked our sheep and Bessiebell blood is now appearing throughout Pedigree flocks also.

The flocks top prices to date are 15K, 10K, 9.5K, 8.5K, 6.5K, 4.5K, 4.4K & 4.2K

For males and females have reached 10.5K, 8.5K, 5.5K, 5K, 5K, 4.5K & 4K

We would like to thank all our customers for their continued support and wish everyone a successful lambing season.

A special thanks to Ian Donald for organising the sale , and his continued help throughout the year preparing our sheep.

Personally, I believe this may be on the most complete gimmer we have bred. She was a stand out ewe lamb last year and has a pedigree to match out of the flocks best ewe 1047. She is a full sister to the 8.5K gimmer 2022. Lot 11 is a full sister to Bessiebell Big AI sold for 4.2K and two ewe lambs sold for 4K each. This gimmer has been successfully flushed and will sell with two frozen embryos.

Took us time to decide whether to sell this girl as she is a full sister to last years 10k BB Bonnie Boy and has five full brothers sold to Gross 22K. She came from a strong female line that bred last years 10.5K gimmer. This blood line never fails to breed each year. Dam full sister to Moto Moto.

DONBRAID

Donbraid flock restarted in 2017 with the purchase of an outstanding ewe lamb from Burnview "1056" for £4600. She has become the Gdam of last years top lamb Donbraid Assassin which went on to sell for £5000 to Brian Doyle were he bred Blessington Novice Champion in 2023.

Islandmoyle Amorok "Male of the year 23" a successful ram at the agricultural shows, an outcross ram with a unreal carcass which has continued through in his daughters.

Achievements this year came from a very successful show team with 3 strong Redbrae Majestic gimmers, which was placed highly at every show attended.

Effectively at Ballymena Premiere sale we sold rams at 3.4k and had a pen average of 1.7k for 5 lambs all away to pedigree breeders.

Our flock has always aimed for correctness, good tops and backends with great black hair!

The whole flock are genotypes ARR/ARR and are also on the Heptavav-P programme.

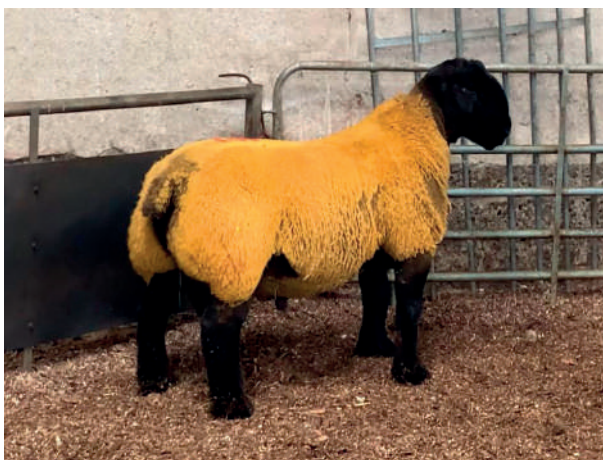

Importantly we want to wish all our old and new customers all the best with their purchases throughout this sale year and a successful lambing year ahead.

All enquires welcome

OAKBRIDGE

The Oakbridge Flock was established in 1992 with the purchase of a few select females from flocks including Cairness, Greyhill, Benhead, and Benvale respectively. Over the last 32 years we have placed great emphasis on breeding sheep that are correct on their legs with great bodies, tight skins and plenty of character. Our flock is scrapie monitored and on the Heptavac-P program and as always our females are vaccinated for Enzo and Toxo.

We would like to thank all our customers for their continued support and wish everyone a successful lambing season in 2025.

Ballynacannon Bentley

Purchased jointly with Cavanagrove and Rossbrook Suffolks for 15,000gns in early summer. A very correct lamb with a great skin and tremendous lift and style. He has been used heavily across the entire flock this year. We are excited to see his progeny, a real modern Suffolk. Champion ram lamb at the National Championships in Armagh.

He has bred exceptionally well in his first season breeding rams to 9000gns, 5000gns and My top five lambs each sold for over 1000gns, to a top of 1350gns

MULLAGHBOY

164 Browns bay road Islandmagee, Larne, Co Antrim, N Ireland, BT40 3TQ
Established in 2016, From the start our emphasis is on quality rather than quantity. We aim on breeding big sheep that are correct on their legs with great bodies, tight skins and plenty of character.

We have had great success in the show and sale rings this year, taking 2nd and 3rd place ram lamb class at balmoral and our lamb going on to be reserve male champion. Ballymena show reserve male champion and 2nd in the gigot class at Lanark. We topped at 6k and a sale average over £2700 for our lambs

I would like to thank Ian and his team for letting us be apart of the sale and for doing all the work behind the scenes. Finally, we wish all fellow breeders the best of luck and the customers with their new purchases. All sheep entered are ARR/ARR. All enquires Welcome: Contact David 07590198395

FOURSCORE

Firstly we would like to thank the bonanza sale for letting us be part of it this year again. The Fourscore flock was established in 2014 with the purchase of 3 ewes from George Calwell of the Daisylane flock. Since then, we have tried to purchase our pick of the females from top flocks available each year such as Limestone, Strathbogie, shannagh just to name a few whilst using top rams to go with them. We have managed to top the NI Branch female sale on three occasions selling to 2200gns 2100gns on two occasions as well as 1900gns and 1600gns. All our sheep are dosed, bolused and on the Heptavac -P system. We would like to take this opportunity to thank all new and existing customers and wish them the best of luck with their purchases
