FLOCK NOTES/FOREWORD

- On Heptovac System.
- All vaccinated with Enzovax, Toxovax and are also Blue Tongue Vaccinated.
- All Sires and Dams are ARR/ARR.
- Over the last few years, our homebred stock rams have been doing a very good and consistent job here.
- All Lambs being suitable for pedigree breeding and not one lamb sired by a homebred ram in the last three years has required to go away fat.

STRATHVIEW STRIKER (PPZ:25:00487)

- *Top son of the Strathview Dominator, who sold for 2,500gns after being placed Fourth in the Elite Commercial Class on the Scottish Area Branch Show & Sale at Lanark, July 2025.*
- *Strathview Dominator has bred very well for us and breeds good bodied, tight skinned, correct sheep with beautiful heads.*
- *You can always pick out 'Strathview Dominator' progeny among the rest – bright alert heads and ears (We believe this is beneficial for having lively lambs at birth, with plenty of vigour).*
- *Strathview Dominator sired females sold here last year for 1,300gns and 1,100gns (three times).*
- *My first three gimmers are in-lamb to Strathview Dominator and our fourth entry is sired by him.*

HOWEBURN (LBC)<https://www.facebook.com/thomas.darling.33>**FLOCK NOTES/FOREWORD**

- Howeburn Suffolks were established with females from Crosemanor, Stockton, Muireisk, Glenisla and Cairness flocks. Since then, we've added select females and always tried to use rams we considered to be good examples of the breed with good legs, skin and flesh.
- Many Thanks to James and the Suffolk Supremes Team for the invite to sell at the sale once again.
