Carnbeg Pedigree Suffolk Flock Dispersal Sale

Neale Fleming, owner of the highly regarded **Carnbeg Pedigree Suffolk Flock**, will be holding a **complete flock dispersal sale**. Over the past 7 years, Neale has been a well-known member of the Suffolk Sheep Society, working closely with and mentored by **Alastair Barkley** of the renowned *Blackbrae Suffolks*. Through this partnership, the Carnbeg flock has been built on the same **strong and proven Blackbrae bloodlines**, producing sheep that combine power, correctness, and true Suffolk breed character. The Carnbeg Suffolks have consistently **performed both in the field and in the show ring**, standing out for their quality and breed type.

Neale has made the difficult decision to disperse his flock to dedicate time to study and pursue new ambitions. This sale presents an excellent opportunity for breeders to acquire **top-quality Suffolk genetics** with depth, performance, and heritage.
