CASTLEWOOD FLOCK

The Castlewood flock was established in 2002 in Dunsany, Co. Meath with the purchase of two gimmers from the renowned Baileys flock. Over the years, further carefully selected females have been acquired from some of the leading flocks in the breed, helping to build the strong foundations of the Castlewood bloodlines.

From the outset, our aim has been to breed stylish, well-balanced Suffolk sheep, with particular emphasis on character, head up, colour and tight skins. These qualities, combined with strong breeding and show-ring appeal, have been central to the development of our flock.

This dispersal sale presents a valuable opportunity for established pedigree breeders looking to strengthen their flocks and those aspiring to build on quality proven bloodlines. Whilst it is also a fantastic opportunity for new breeders to build on the foundation of their new flock.

The Power of Blackbrae Suffolks.

R. Alastair S. Barkley – Blackbrae Farm

With over 40 years of dedicated breeding, Alastair Barkley has established Blackbrae Suffolks as a name synonymous with power, style, correctness and outstanding breed character. Built on generations of careful selection, the flock combines proven genetics, exceptional carcass traits and structural quality, producing sheep that excel in both the show ring and the field.

This reduction sale presents a rare opportunity to acquire elite Blackbrae bloodlines, with a select offering of in-lamb ewes and gimmers bred from some of the most respected Suffolk genetics in the UK and Ireland.

The flock has been served by two outstanding stock rams: **'Limestone Oh So Sharp'**, whose dam, Limestone KPC:23:02380, was National Champion in 2024, and **'Western Drago'**, Male Champion at the West of Ireland Club Championships in 2025. These impressive sires bring together style, power and proven pedigree, complementing the strong maternal lines that underpin the Blackbrae flock. The dams also carry influential genetics from renowned sires including **'Beechbrook Sexton'**, **'Clyda Cillian's Oscar'** and **'Strathbogie Rock On Tommy'**.

The consistent demand for Blackbrae rams and the flock's reputation for quality and performance speak for themselves. This is a valuable opportunity for aspiring pedigree breeders to establish a strong foundation and for established flocks to enhance their breeding programmes with powerful, proven bloodlines.

Powerful. Balanced. Unmistakably Suffolk.
